MANGAL LEVHARKAR

Salesforce Developer Intern
mangallevharkar@gmail.com | +91 8999795463

PROFESSIONAL SUMMARY

Final-year Computer Science Engineering student (B.E., expected 2027) working as a Salesforce Developer Intern at Marquery Technologies since February 2026. Built an end-to-end Airlines Management System on the Salesforce platform covering data modeling, flight scheduling, security configuration, reports, and dashboards. Hands-on with Apex, Lightning Web Components (LWC), Visualforce, and declarative automation, with exposure to Sales Cloud, Service Cloud, Salesforce Einstein, third-party integrations using JSON and XML, and CI/CD deployments using Copado.

TECHNICAL SKILLS

- **Salesforce Development:** Apex, Lightning Web Components (LWC), Visualforce, SOQL, SOSL
- **Salesforce Clouds:** Sales Cloud, Service Cloud, Salesforce Einstein
- **Declarative Automation:** Lightning Flow, Process Builder, Workflow Rules, Approval Processes
- **Data Management:** Data Loader, Workbench
- **Integrations:** Third-party system integrations, JSON, XML
- **DevOps and Tools:** Copado, GitHub, CI/CD pipelines
- **Programming:** Java, JavaScript, HTML, CSS
- **Methodologies:** Agile

EXPERIENCE

Salesforce Developer Intern | Marquery Technologies Pvt. Ltd. | Feb 2026 – Present

- Developed and configured an end-to-end Airlines Management System on the Salesforce platform to manage flights, flight schedules, and pilot information.
- Designed the application data model using custom objects, fields, relationships, picklists, formula fields, and validation rules for flight and pilot data.
- Built flight scheduling functionality covering source, destination, departure and arrival times, duration calculation, and schedule status management.
- Configured user roles, profiles, record access, and data security settings based on organizational requirements.
- Created reports and dashboards to track scheduled flights, current-month schedules, and flight statuses, including closed and cancelled flights.
- Worked across Salesforce administration and development: data modeling, automation, security, reporting, and dashboard creation.

CERTIFICATIONS

- Copado AI Certificate
- Fundamentals I SFP Certificate

EDUCATION

Bachelor of Engineering (B.E.), Computer Science Engineering

Sant Gadge Baba Amravati University (SGBAU), Amravati | Expected 2027
